

**Important Information for the transport & handling of your exhibits**

**BIOFACH AMERICA – ALL THINGS ORGANIC  
September, 12<sup>th</sup> – 14<sup>th</sup> 2019  
Baltimore Convention Center, USA**

To guarantee a smooth process of clearance, handling and delivery of your products and to avoid respectively delays in customs clearance or import handling of your shipment, we recommend sending your shipment via **Schenker Deutschland AG, Nuremberg**. Schenker Nuremberg is the nominated agent for international shipments to this show and will support you to deliver your shipment on time to the exhibition centre.

Please note following extract of the most important points:

**Commercial invoice and packing list** in English language including:

- ✓ detailed description of each product, harmonized tariff code and value of each product
- ✓ FDA reg. number and product code: see <http://www.accessdata.fda.gov/scripts/ora/pcb/pcb.cfm>
- ✓ quantity, number of cartons/pallets/items/packages including weights and measurements

For advertising material, brochures, samples etc. which is planned for free distribution, there's a separate invoice needed. Please keep the value for these goods low.

**Certificates**

- ✓ analyse certificate for beverages
- ✓ health certificate for food / FDA registration number / FDA product code for each product
- ✓ ANVISA for cosmetics (Health Sanitary Vigilance National Agency)
- ✓ Certificate of origin

**Deadlines in 2019 for documents:**

- |   |                                                          |                           |
|---|----------------------------------------------------------|---------------------------|
| ✓ | All a.m. DOCUMENTS need to be checked by Schenker until: |                           |
| ✓ | Ocean freight shipments                                  | 03 <sup>rd</sup> of July  |
| ✓ | Airfreight shipments                                     | 1 <sup>st</sup> of August |

**Pick-up deadlines in 2019 for your exhibits:**

- |   |                                                  |       |
|---|--------------------------------------------------|-------|
| ✓ | International ocean freight                      | KW 30 |
